

## RC HELICOPTER FLYING...THE VIDEO

Learn to hover and watch the experts fly - all in one great video shot in California featuring the blue Pacific and California beaches.

Sit back, relax and watch this 23 minute cassette tape of GMP's RC helicopters flown by beginners and experts over land and sea. Professionally shot and narrated, it brings to life the flying maneuvers an RC Modeler especially wants to see. It not only introduces you to the amazing aerobatics of GMP's fine line of helicopters, but it also includes a section that guides the novice step by step in learning how to hover. This is valuable information for the beginner who does not have an experienced teacher available. GMP's new video also includes incredible footage of the flying abilities (autorotations, inverted flights, loops and rolls, etc.) of Gorham Model Products top-line professional competition class models and fliers - Don't miss it.

Includes: Cricket, Shuttle, Competitor, Cobra, SST Jet Ranger, King Cobra,
